ANNOUNCEMENT

Scan to Register for Conference

WELCOME TO ISAR 2026!

Dear Esteemed Delegates,

It gives us immense pleasure to extend a warm invitation to you for the 30th Annual Conference of the Indian Society for Assisted Reproduction (ISAR 2026), scheduled from 20th to 22nd February 2026 at The Forum Convention Center, Club 07, Ahmedabad.

Following the overwhelming response to our First Announcement, we are delighted to share that preparations are in full swing to bring you a scientifically enriching and socially vibrant event. This milestone year celebrates three decades of ISAR's dedication to innovation, education, and advancement in reproductive medicine.

The scientific committee is curating a powerful program featuring orations, keynote addresses, panel discussions, debates, and interactive sessions, led by renowned international and national experts.

Together, we will savor delectable cuisine and engage in lively conversation, fostering connections and creating memorable moments

Beyond the conference halls, Ahmedabad — a UNESCO World Heritage City — awaits with its timeless architecture, delectable cuisine, and unmatched Gujarati hospitality. Evenings at ISAR 2026 promise celebration, connection, and cultural vibrance — experiences that will stay with you long after the event.

We warmly invite you to submit your abstracts and register early to be part of this memorable academic and social celebration.

With warm regards,

Organizing Team, ISAR 2026

WELCOME TO ISAR 2026!

Dr. Ameet Patki
President

Dear Colleagues and Friends

Wishing you all A Very Happy New Year 2026.

It's been 2 years since I took over the mantle of President of ISAR.

During this period ISAR has grown not only in numbers but also visibility and stature.

Now I welcome you all on behalf of over 6500 ISARians to the 30th Annual ISAR conference 20-22 February 2026 at the majestic Convention Centre The Forum Ahmedabad.

The theme of the conference From Lab to Life: Making ART easier through Innovative Science embodies what ISAR stands for: Empowering its members and making Parenthood possible for every couple.

The organizing committee headed by an extremely competent Dr R G Patel ably assisted by Dr Mehul Damani and the team have ensured that they have a strong scientific program along with a good traditional cultural activity and a vast spread of local cuisine. So, join me and my team as we hand over to the next team in a 3-day extravaganza, and participate in the success and glory of ISAR. Return back refreshed energized and empowered to better handle the challenges and fine nuances that we encounter in our work. Network, meet old friends make new ones, showcase your work and talent...

We will be waiting for you

Warm regards

Dr Ameet Patki and Team 2024-26
